

Message from the Editor,

I am very pleased to inform you that we have published the second issue in 2023. As an editor of International Journal of Su-Ay Development Association (IJOSDA), this issue is the success of our authors, very valuable reviewers who undertook the rigorous peer review of the manuscripts, and those of the editorial board who devoted their valuable time through the review process. In this respect, I would like to thank to all reviewers, researchers and the editorial board members. The articles should be original, unpublished, and not in consideration for publication elsewhere at the time of submission to International Journal of Su-Ay Development Association (IJOSDA). For any suggestions and comments on IJOSDA, please do not hesitate to send me e-mail. The countries of the authors contributed to this issue (in alphabetical order): Cyprus, Morocco, and Turkey.
